

Houses Am Leem 7&8

Ref. 1143165

BASCHARAGE

Characteristics

Purchase Type

New

Description

Our "Am Leem" development enjoys a privileged location in the commune of Bascharage. It's just 800 m from the town center, close to all major roads and mobility points.

The development is set back from the main road, between Avenue de Luxembourg and Rue des Prés, on either side of a new street created for the project. So you can enjoy the peace and quiet of your own neighborhood on a dead-end street.
