Description

Just steps from the heart of Remich, VIA VINIA unveils a rare living environment where nature sets the rhythm of daily life. Nestled between Chemin des Vignes and Avenue Lamort-Velter, this residential complex sits on the slopes of the Moselle Valley, in a protected setting offering peace, privacy, and unobstructed views of the surrounding vineyards.

Here, rows of vines have shaped the landscape for generations, marking the changing seasons with their shifting colors, while natural light enhances the contours of the vineyard throughout the day.

This prime location allows residents to enjoy an exceptional lifestyle without sacrificing everyday conveniences. The center of Remich—with its shops, schools, restaurants, and amenities—is just minutes away.

VIA VINIA thus offers the perfect balance of serenity, nature, and accessibility.
