Description

Daytona is part of a residential development of two residences and four single-family homes, located in Wickrange, alongside the new lifestyle center, GRIDX.

With its straight, modern lines, the Daytona residence is three stories high. It is organized in a U-shape and also includes a first floor, a mezzanine and a basement level shared with the Monza residence.

Its luminous facade is composed of natural white stone, cut with natural gray stone for the base and anthracite frames for the windows.

The residence has 60 apartments that will suit all profiles, from singles to couples and families. We find thus :

- 1 studio
- 23 one-bedroom apartments
- 28 2 bedroom apartments
- 8 3-bedroom apartments

All apartments have an outdoor space: private garden, loggia or terrace.
